

# EUROPEAN PARLIAMENT

MEMBER OF EUROPEAN PARLIAMENT

Brussels, 22 May 2008

Mr.  
Česlovas JURŠĖNAS  
Speaker of the Seimas  
of the Republic of Lithuania

Dear Mr Juršenas,

In the light of the current debate concerning the Lithuanian Parliament's work on amending legislation governing access to abortion, we would also like to present our position on the matter.

There is no conflict between either European law or political commitments arising from European integration and legislative measures aimed at providing better legal protection for unborn children.

We welcome Lithuanian parliamentarians' efforts to ensure better protection for children prior to birth.

Kind regards,

1. Vytautas LANDSBERGIS
2. Konrad SZYMAŃSKI

and
